

*TFW*

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant : Stein et al.                      Art Unit : 1633  
Serial No. : 10/694,711                      Examiner : Sumesh Kaushal  
Filed : October 27, 2003  
Title : MODULATION OF CELLULAR PROLIFERATION

**MAIL STOP AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request. A copy of a communication from a foreign patent office in a counterpart application is also enclosed.

This statement is being filed before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 3/13/2006
